having the opportunity to teach math for over 25 years i have found many days when you hit a brick wall whether it was in middle school junior or senior high school or at the community college there were days when the new topic was not understood by the students i could see it in their reaction faces to my explanation sometimes i was the culprit knowing full

well that the homework is a review of that day's topic it must be delayed as an educator teaching math the crescendo of each day builds as we go further into the school calendar someone who missed out and could not grasp the idea needed to be tutored that luxury is not available frustrations teaching math gives the student an opportunity to see how basic math ideas are solved sometimes i give two scenarios in solving a problem other times a cheating way is shown so that math can be understood and also be fun some of the topics covered are the various ways to factor a binomial trinomial or polynomial another favorite is grasping the concept of greatest common factor or least common multiple right triangle trigonometry for the middle school student is explained using boating as the source of frustration how much to tip at a restaurant what does a half off sale really mean let us not forget the story or word problems that really cause concerns distance rate time all these ideas plus games and many more mathematical topics are reviewed on my 45 day road trip from delaware to florida coming back with several stops on the way home we ll explore these frustrations

when blythe and russell are on the cover of a fashion magazine the industry is abuzz blythe and the pets are invited to paris to plan and perform in a runway show the pets vote for russell as their leader can he handle the pressure or will he turn into a prickly pet

what is the most challenging thing about learning italian it's finding helpful and engaging reading material that you can actually understand that is precisely what motivated us to write this book how is a student supposed to learn when language instructors love providing materials that are tough expert level literature with tons of grammar and rules that style of book for new language learners can be overwhelming and lead you to flip back and forth between a dictionary and your book constantly not an effective use of your time nor the best way to learn is this how children learn their language skills no enter italian stories for beginners vol 1 you will find 10 easy to read engaging and fun stories that will help you to expand your vocabulary and give you the tools to improve your grasp of the italian language improve your comprehension grow your vocabulary and spark your imagination with these ten unconventional italian short stories all stories are written using vocabulary that you could easily use in your day to day conversations the stories are written with beginner italian learners in mind with that said it is highly recommended to have a basic understanding of italian to achieve maximum enjoyment and effectiveness of the lessons this program is excellent for those who want to get an introduction to the language or brush up
